

# Student Partners

# About Us

Storage Squad is a summer storage business that is managed **by students, for students.**

We take the hassle out of the college move-out/move-in experience and provide **the most authentic and rewarding entrepreneurial experience** for our Entrepreneurial Student Partner Interns (ESPI).

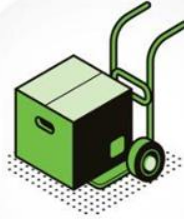

# We make Storage easy. Here's how it works.

We Deliver

We are the  
leading storage  
provider at each  
school we  
operate at and  
we're growing  
every year.

# What makes us different?

**We never sacrifice our business ethics.**

**We value every customer, vendor, and employee.**

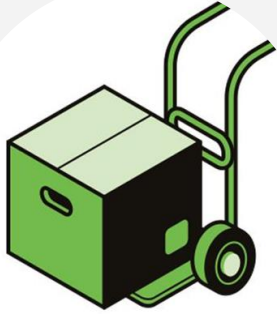

**We partner with extraordinary Universities and student partners.**

# What we're looking for:

***Driven and talented students***  
looking for an entrepreneurial  
experience that goes beyond  
the 9-5 'check the box'  
internship.

# Our student partners have the *entrepreneurial opportunity* to manage the business end-to-end

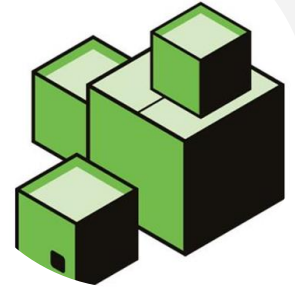

Lead student movers, team with your fellow partners, and coordinate with local businesses

Optimize the right marketing approach at your school to reach our customer base

Develop your sales skills and provide unparalleled quality service to every customer

Navigate challenging logistics from pick up to delivery, leveraging technology and team building

# What's in it for you?

Real world experience that differentiates you and your resume.

Strong Storage Squad network and training in your area of focus.

Attractive compensation and incentives.
